In the annals of true crime, few cases are as chilling and suspenseful as the hunt for the Green River Killer. For over two decades, this elusive serial killer terrorized the Pacific Northwest, leaving a trail of murdered women in his wake.

In *Catching Serial Killer*, acclaimed journalist Carlton Smith takes readers inside the investigation that finally brought the Green River Killer to justice. Smith draws on exclusive interviews with detectives, forensic scientists, and the victims' families to provide a gripping and comprehensive account of one of the most notorious crimes in American history.

Smith's narrative is both chilling and suspenseful, as he follows the detectives as they piece together the clues and track down the killer. He also provides a fascinating look at the psychology of serial killers, shedding light on the twisted minds of those who commit such heinous crimes.

Catching Serial Killer is a must-read for true crime enthusiasts and anyone interested in the dark side of human nature. It is a chilling and suspenseful account of one of the most notorious crimes in American history, and it provides a fascinating glimpse into the minds of serial killers.

Praise for *Catching Serial Killer*

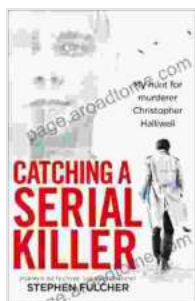

"A gripping and comprehensive account of one of the most notorious crimes in American history. Smith's writing is both chilling and suspenseful, and he provides a fascinating look at the psychology of serial killers." - Kirkus Reviews

"A must-read for true crime enthusiasts. Smith's narrative is both chilling and suspenseful, and he provides a fascinating look at the dark side of

human nature." - Publishers Weekly
