About The Book

In the desolate Yellow Stream Valley, where secrets are buried deeper than the river itself, a family's legacy is torn apart by betrayal and tragedy. As the

crows circle overhead, they bear witness to a tale that will forever haunt the valley and its people.

When the patriarch of the wealthy and influential Blackwood family is found dead, his death is ruled a suicide. But his estranged daughter, Sarah, believes there is more to the story. Determined to uncover the truth, she returns to the valley, a place she has vowed never to go back to.

As Sarah digs deeper, she uncovers a tangled web of secrets, lies, and betrayals. She learns that her father was not the man she thought he was, and that her family's dark past is catching up with them.

With the help of a mysterious stranger, Sarah must confront her own demons and the ghosts of her past. But as she gets closer to the truth, she realizes that she is not alone. The crows are watching, and they are waiting for her to make a choice.
