

# Deformed: My Remarkable Life Continues

## An Extraordinary Memoir of Resilience and Triumph

Chris Toffolo was born with a rare and severe facial deformity. His face was so disfigured that his parents were advised to institutionalize him. But they refused, and instead they raised him with love and acceptance.

Chris's childhood was not easy. He was bullied and teased relentlessly. But he never let the bullies get to him. He persevered, and he eventually found his place in the world.
