By Sarah Glidden

Land of Conflict and Beauty is a gripping and eye-opening account of one woman's journey through Israel and Palestine. Author Sarah Glidden travels from Jerusalem to Ramallah to Gaza, meeting with Israelis and Palestinians from all walks of life. She witnesses the beauty of these lands and the pain of their people, and she explores the complex history and politics of the region with a keen eye for detail and a deep understanding of its human toll.

Glidden's narrative is both personal and political. She shares her own experiences of traveling through Israel and Palestine, and she interweaves her story with the stories of the people she meets along the way. She speaks to Israeli settlers and Palestinian refugees, to soldiers and activists, to children and elders. Through these encounters, she paints a vivid and nuanced portrait of the conflict in Israel and Palestine.

Land of Conflict and Beauty is a deeply moving and thought-provoking book. It is a must-read for anyone who wants to understand the conflict in Israel and Palestine, and it is a powerful reminder of the human cost of war and occupation.
