Dive into the heart of a gripping Civil War series that brings the struggle to survive the Union blockade to life.

The year is 1861 and the American Civil War has erupted, tearing the nation apart.

In a desperate attempt to strangle the Confederacy, the Union Navy has imposed a relentless blockade along the Southern coastline. But for some, this blockade is not a death sentence, but an opportunity.

Meet Captain Jack Hartigan, a daring blockade runner whose nimble ship, the "Sea Serpent," slips through the Union lines like a phantom. With a crew of hardened sailors and a cargo of desperately needed supplies, Hartigan risks his life to keep the Confederate war machine alive.

But the Union Navy is determined to stop Hartigan and his fellow blockade runners. Lieutenant Commander William "Bulldog" Farragut, a brilliant naval strategist, is tasked with tightening the blockade and crushing the Confederate lifeline.

As the war rages on, Hartigan and Farragut find themselves locked in a deadly game of cat and mouse. Each encounter brings them closer to the brink of destruction. Yet, amidst the chaos and the bloodshed, a grudging respect begins to grow between these two adversaries.

Surviving The Union Blockade is a thrilling historical saga that will transport you to the heart of a conflict that shaped the destiny of a nation. Immerse yourself in the treacherous world of blockade running, where every voyage is a gamble and survival is a constant struggle.
