The Relationship Between The Living And The Dead

The relationship between the living and the dead is a complex one. It is a relationship that has been explored by philosophers, theologians, and

artists for centuries. There is no one definitive answer to the question of what happens to us after we die. However, the essays, stories, and poems in this book offer a variety of perspectives on this question.

Some of the authors in this book believe that the dead are still present with us in some way. They believe that the dead can communicate with us, and that they can influence our lives. Other authors believe that the dead are gone forever. They believe that death is the end of our existence.

There is no right or wrong answer to the question of what happens to us after we die. The answer is different for each individual. The essays, stories, and poems in this book offer a variety of perspectives on this question, and they can help us to come to our own s about what happens after we die.
