In this new modern translation, Lionel Giles has revised and updated Sun Tzu's classic work, making it more accessible to contemporary readers. Giles has preserved the original meaning and intent of Sun Tzu's writing while using clear and concise language that is easy to understand.

The Art of War is divided into 13 chapters, each of which covers a different aspect of military strategy. Sun Tzu discusses topics such as the importance of terrain, the use of deception, and the psychology of warfare. He also offers advice on how to lead and motivate troops, and how to negotiate with enemies.

The Art of War is a timeless masterpiece that offers valuable insights into the nature of warfare and leadership. It is a must-read for anyone interested in military history, strategy, or leadership.

What's new in this modern translation?

Lionel Giles's new modern translation of The Art of War offers a number of advantages over previous translations. Giles has:

- Revised and updated the text to make it more accessible to contemporary readers.
- Preserved the original meaning and intent of Sun Tzu's writing.
- Used clear and concise language that is easy to understand.
- Added extensive notes and commentary to help readers understand the text.

The result is a new modern translation of The Art of War that is both accurate and accessible. It is the perfect way to experience Sun Tzu's classic work for the first time, or to revisit it with a fresh perspective.
