What is the Third Eye Chakra?

The third eye chakra, located between your eyebrows, is considered the sixth chakra in the human energy system. It is associated with the color indigo and represents your ability to see beyond the physical world into the realms of intuition, imagination, and higher consciousness.

When the third eye chakra is open and balanced, you can expect:

- Enhanced psychic awareness and intuition
- Increased clarity and focus
- Improved memory and learning ability
- Deepened spiritual connection
- Greater imagination and creativity
